Dear Students, Parents/Guardians:

Welcome to the 2024-2025 school year at Sequatchie County High School. We are excited about the changes we are experiencing this year, and happy to have each of our students with us. Parents, we hope you take advantage of the grade portal, Skyward, which will allow you to monitor your child's attendance, discipline and grades via the internet. We have had several changes in our faculty so there are new faces to get to know. With all of the issues facing us today, we would like for all of our students to know they can use their education to change their world for the better and that we take the job of education very seriously. We, also, sincerely hope you will partner with us as parents to make sure our students have the best possible experience at SCHS.

## **Alternative School**

The Alternative School is located on the SCHS campus but is a separate school. Students are assigned to Alternative School by the school administration for disciplinary reasons. Students in Alternative School are prohibited from participating in or attending extra-curricular activities including practice for sports, and are not permitted in the school building (including before and after school) unless accompanied by alternative school personnel (See Conduct/Discipline/General School Rules).

## **Announcements**

*PA System:* All announcements to be made on the PA system must be submitted in writing to the office. Generally, announcements will be made at the beginning of the day, between certain class periods, and at the end of the day. No others will be made except in case of an emergency.

*Bulletin Board:* All announcements or information to be placed onto the bulletin board must be approved by the principal. No flyers or posters should be taped over the murals in either the hallways or the commons area.

*Posters:* No posters are to be placed in the building without the approval of the office. After the event, posters are to be removed by the person or group having placed them. Special care should be taken when the posters are placed on the walls with murals, as they can be easily damaged.

## **Assembly Programs**

All students are required to attend all student body assemblies unless excused through the office. All speakers must be approved by the principal/assistant principal before their services are secured. Good behavior is essential during these programs out of respect for those conducting the assembly. Students who do not attend SCHS full time or individuals who are not enrolled at SCHS may not participate in special programs, unless approved in advance by administration.

## **Athletic Participation**

TSSAA eligibility regulations:

- A student's eligibility for athletic participation is based on his/her academic performance during the previous school year.
- A student who drops out of school before the end of the year will not be eligible for participation for a full calendar year.
- A student shall be ineligible after he or she has attended high school for eight semesters.
- A student cannot participate in athletics if he/she becomes 19 years of age on or before August 1.
- Any person participating in any athletic program is strongly urged to carry adequate medical insurance coverage.
- Quitting the Team- A student has 10 days from the first day of the regular season to practice with a team and leave the team without consequence. Any participant who quits a sport after the 10 day "grace period" will not be allowed to participate in any other sport until the season has ended in the sport in which he/she quit. The only exception to this will be if he/she quits upon the recommendation of the coach (dismissed). An athlete will be reinstated to the athletic program only with the approval of the Administration, Athletic Director, and the head coaches involved. The athlete must receive approval and then make up the work or conditioning that was missed before he/she will be reinstated in the program.

## **Attendance**

Sequatchie County Board of Education Policy states:

1. We will abide by Tennessee state law for attendance and truancy. Parents will be notified when their child has accumulated five (5) unexcused absences and after each successive accumulation of five (5) unexcused absences. Students will be expected to bring in excuses for absences but these will not factor into a pass or fail policy per class.

2. Excessive Absenteeism: In the event that a student misses five (5) or more unexcused days without adequate excuse, the student will be subject to the progressive truancy intervention plan.

Tier I: A required parent conference and written attendance contract.

Tier II: An assessment to determine the cause of the absenteeism which may lead to a referral to school and/or community services.

Tier III: In the event that the unexcused absences continue or are not addressed by the parent/guardian, a referral to the truancy board will be made and may lead to the referral of juvenile court.

3. Excused absences will consist of a written note from a doctor or dentist. **Excuses are for the student only**, not family members who are sick or in the hospital. Students must turn in excuses to the office within 5 school days of the absence. Parents are encouraged to write notes if a child is sick, but does not go to the doctor. These may be useful if a student is deemed truant because of excessive absences.

\*For the 2024-2025 school year, SCHS will excuse up to 5 days, per semester, of unexcused absences when an illness is present and documented in the parent note.

4. Any student that has nine (9) unexcused absences in a semester will lose his or her parking permit/space and no refund will be given.
5. Three unexcused tardies will equal one absence. Records for these tardies will be kept by the teacher of record and most will not appear in Skyward.
6. For unexcused absences, the teacher may take points off for missing quizzes, class assignments, etc. The teacher may also have to give an alternative assignment, especially with unexcused absences. Students must make up all missed work within 3 days of returning to school after an excused absence, unless prearranged with the teacher. For unexcused absences, the student may not be allowed to make up the work, or the teacher may take points off for missing quizzes, class assignments, etc. The teacher may assign an alternate assignment for any absences.
7. Students who have missed 10 consecutive or 15 total unexcused days will NOT be eligible for a drivers' permit or license and will also lose a permit/license already earned.

8. "Late to class" is defined as any time less than or equal to five minutes at the beginning of a class period. "Early dismissal" is defined as any time less than or equal to five minutes at the end of a class period.
9. A student will be considered absent from class for any time over five minutes missed from that class. On the third late arrival, early dismissal, or any combination of the two, the student will be charged with an absence.
10. ISS does NOT count as an absence.
11. In order for a student to receive an SDA (School Day Absence), he/she must get approval three school days in advance. An SDA or assigned duty list must be turned in by the student (or sponsoring teacher). A student who is failing or who has excessive absences will not be granted an SDA. A student may have only three (3) SDA absences per year.
12. An SDA is an **absence** due to school-related activities in which a student is not required to attend (for example, a field trip that is not required for a class or for a grade). This may include some 4-H activities or when a student is representing the community.
13. An Assigned Duty day will be an absence that must occur due to school-related activities in which the student is required to attend (for example, a ballgame that occurs during the school day). **These will not count as an SDA or as absences from class, and there is no limit on the number of assigned duty days a student may have.** If a student is failing a class he/she may not be granted an SDA or Assigned Duty Day and may not be allowed to go on field trips for other classes.
14. The three-day make-up policy does not apply for SDAs and Assigned Duty days, as the students know in advance they will be missing class. They should come to school the following day prepared as if they had been in class, including being ready to take pre-announced tests, or handing in pre-assigned work.
15. **To get a driver's license, a student must have an attendance certificate from the office. There is a sign up list in the office to apply for these.**

## Tennessee State Law

**An attendance letter will automatically be sent to parents on the 5<sup>th</sup> unexcused absence and every fifth unexcused absence thereafter. On the 5<sup>th</sup>**

**unexcused absence, the student may be turned over to the juvenile authorities for action.**

### **Automobile Regulations**

The parking lot in the back of the building (facing the baseball field) is reserved for teachers. There are spaces reserved for visitors and the handicapped in the front parking lot. The rest of the front lot is reserved for seniors. Other student parking is to the gym side of the building. This area is monitored throughout the school day by video cameras. Handicapped parking spaces are for use only by those vehicles properly identified to park in them. The following regulations regarding motor vehicles apply:

- Proof of insurance is now required by law in order to get a parking permit.
- Driving to school is a privilege, not a right and will be extended to students who follow procedures. Permission to drive to and from school may be revoked at any time when a student is found to be abusing the privileges.
- Students must purchase a permit at the school office to park a vehicle on the school campus. Parents/guardians and students must read and sign a copy of parking regulations and information about the vehicle before a permit can be issued. (Cost of permit: \$20.00)
- SENIORS will have the option of painting a parking space in the north parking lot only. The space painting must be pre approved by the administration prior to painting. The cost for this privilege is an additional \$10.00.
- Any student driving/parking a vehicle not registered is subject to disciplinary action. Any violation could result in the vehicle being towed at driver/owner expense. Sequatchie County High School is not responsible for any damage that may result from removing a vehicle from the campus.
- Permits are valid only for the current school year. In the event of the loss of a permit, the loss should be reported to the office

immediately. The first time a permit is lost or misplaced, a new one will be issued at no charge, but the student will be charged \$15.00 for subsequent replacements.

- The parking permit must be placed in a front window when the vehicle is parked on campus; otherwise, a warning will be issued and recorded.
- Parking permits are not transferable. Any student driver who moves to another school, including Alternative School, must relinquish his/her permit in the office.
- Speed limit on campus is 10 mph.
- Any student driving any motor vehicle to school must meet all state regulations.
- No loitering is permitted in the parking areas before, during, or after school. Students must leave cars as soon as they arrive and may not enter the parking lot during the school day unless permitted by the office.
- Any student who has a vehicle on school campus which must be picked up by someone else during the school day must inform the office of the vehicle model and tag number so that security can be alerted that the vehicle is being removed by an authorized person.
- Student vehicles should NOT be parked in the faculty parking area. Any student vehicle parked in this area will be subject to tow immediately.
- Vehicles parked on school grounds are subject to search at any time.
- Students and teachers are not to block the roadway.
- Visitors are to park in the front of the school and report to the front office to sign in.
- All parking problems (loss of permit, driving different vehicles, etc.), should be reported to the office.
- Before a student will be permitted to park in the school lot, he/she must provide the following information: name of driver, make and model of vehicle, tag number, color, student driver's license number, and proof of insurance.

*The administration reserves the right to revoke parking permits/driving privileges for violation of school rules.*

### **Before School Regulations**

Students arriving at school before 7:40 a.m. are to go to the commons area. Students may not leave the commons for any reason without permission from the teacher on duty. Some bus students arrive early; however, students should not plan to arrive until 7:40.

### **Beta Club**

Only juniors and seniors are eligible to become members of the Beta Club. To be invited to join, you must have a 90 cumulative average. The faculty sponsor of the Beta Club determines the number of community service hours to be completed per year of membership.

### **Bullying Policy**

In order to maintain a safe and educational environment, acts of bullying, cyber-bullying, discrimination, harassment, hazing, or any other victimization of students, based on any actual or perceived traits or characteristics, are prohibited. If any student feels he/she has been a victim of any action mentioned above, he/she should report the incident to any staff member.

### **Bus Regulations**

It is of great concern to the Sequatchie County Board of Education, the Director of Schools and all employees of the Board that each student has a safe bus trip each day. Riding the bus is a privilege. Improper conduct on the bus will result in that privilege being denied. The following school bus policies will be followed by all bus riders:

- The students will board the bus in an orderly manner, be seated and remain in their seats until they reach their destination. No standing or switching seats is allowed. The driver may assign seats.
- There will be no loud talking or unnecessary noise on the bus.

- Throwing objects of any kind will be prohibited on the bus. No objects shall be thrown out the windows at any time.
- No heads, arms, hands, etc., shall be out the windows.
- There shall be no eating, drinking, vaping, cursing, or fighting on the bus.
- In normal weather conditions, bus riders should be visible to the driver at the normal pick-up time and place.
- Students must stand well clear of traffic lanes while waiting for the bus. If students must cross the road getting on or off the bus, they should make sure traffic has stopped and walk at least twelve (12) feet in front of the bus upon receiving a signal from the bus driver.
- Students will not be allowed to get off the bus except at home or school without written permission from the parent or guardian and the principal.
- Students shall not cut, mark or disfigure the bus in any way. Intentional vandalism to a bus will result in automatic suspension from the bus for a period of time to be determined by the severity of the offense.
- Any student in violation of these rules or any other sound rules or regulations imposed by the driver shall be reported to the principal of the school for discipline and shall, upon the discretion of the principal and the bus driver, be recommended for a minimum
  - one-day suspension on the first offense;
  - three days for the second offense;
  - five days for the third offense;
  - ten days for the fourth offense;
  - and barred from riding all buses for the remainder of the school year for the fifth offense.
- The bus driver is in charge of his/her bus and is to be obeyed.
- The principal/assistant principal or assigned designee has disciplinary discretion.
- Cell phones may not be used on the school bus.

### **Bus Safety Complaint Procedures**

In the event that a safety concern should arise involving a school bus driver, a report should be made to the transportation supervisor, Scotty Holland. Written complaints shall be submitted on forms located on the district website. In the case of a complaint received via phone, the person receiving the phone call shall be

responsible for filling out the form and submitting it to the transportation supervisor. Complaints may be made via phone by dialing (423) 949-3617. To access the online complaint form, go to the website [www.sequatchieschools.net](http://www.sequatchieschools.net) and click on departments. Then choose transportation and scroll down to related links. Click on "Complaint Form". Download and complete the form and return it to the transportation supervisor at P.O. Box 488, Dunlap, TN or email it to [scottyholland@sequatchie.k12.tn.us](mailto:scottyholland@sequatchie.k12.tn.us). The transportation supervisor shall begin an investigation of all bus safety complaints within twenty-four hours of receipt and shall submit a preliminary report to the director of schools within forty-eight hours. Within sixty days, the transportation supervisor shall submit a final written report to the director of schools.

### **Bus Seat Belt Use Policy**

A. It is the goal of the Sequatchie County Schools' Transportation Department to provide the safest transportation system available. It is a requirement of the Transportation Department that any student being transported by a school bus in the district that is equipped with seat belts must use the seat belts and/or integrated child-safety seats. Bus drivers will announce before leaving that all students shall be in their seats with their seat belts fastened. Students refusing to use seat belts in a legal and safe manner will be subject to their school's disciplinary policy.

B. Bus drivers and aides will be trained annually on the required use of seat belts on buses that are equipped with seat belts and/or integrated child-restraint seats. Additionally, bus drivers and aides will be trained annually on the consequences for noncompliance with this policy.

C. Parents and students will be trained annually on the proper use of seat belts on buses that are equipped with seat belts and/or integrated child-restraint seats. Additionally, parents and students will be trained annually on the consequences for noncompliance with this policy. Seat restraint use is mandatory on buses equipped with seat belts.

### **Cafeteria Services**

The cafeteria uses computerized cash registers. Students must enter their assigned four digit account number into a pin pad or recite their number to the

cashier. Students are encouraged to make deposits into their account from 7:30-7:50 in front of the cafeteria. Charges are not allowed. If a student does not have money in his/her account, he/she must pay with cash. Students are permitted to pay for any extra items above a meal from their accounts. The cafeteria cannot cash checks through the line. Any checks must be for the amount of purchase only or for deposits only. Any questions should be directed to the Nutrition Supervisor, Cindy Stevens at 423-949-4005.

Home packed lunches may be brought to school, but no food or drink with restaurant packaging (including fast food and drinks) should be brought into the building due to the Federal Lunch Program Guidelines.

*In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating based on race, color, national origin, sex, (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity.*

*Program information may be made available in languages other than English. *To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form which can be obtained online at:*

The completed AD-3027 form or letter must be submitted to USDA by:*

- 1. mail: U.S. Department of Agriculture  
Office of the Assistant Secretary for Civil Rights*

*This institution is an equal opportunity provider.*

### **Cell Phones/Electronic Device Policy**

- Students must place cell phones, earbuds, smart watches, and all other electronic devices in a designated area at the beginning of each class for the duration of the class.
- Students may use cell phones and other electronic devices in class as part of class projects with **specific** permission from the classroom teacher.
- Cell phones which ring, beep, or are being used during class time, assemblies, or instruction will be confiscated. If a student has a phone OUT in plain sight, it will be assumed the phone is in use.
- Cell phones being used to bully, harass, or threaten a student or teacher will be confiscated and possibly turned over to the School Resource Officer for investigation.
- Anything brought onto school grounds (cell phone and all electronic devices) is subject to search by school officials.

#### Consequences

- 1<sup>st</sup> offense- Student must relinquish cell phone to the office during school hours for three (3) consecutive school days and may pick the phone up at the end of each school day. On a level 1 offense, students may opt to pay a \$20 fine to have their cell phone privileges back. THIS IS NOT A REQUIREMENT.
- 2<sup>nd</sup> offense- Student must relinquish cell phone to the office during school hours for three (3) consecutive school days and may pick the phone up at the end of each school day and serve 1 day of ISS.
- 3<sup>rd</sup> offense- Student must relinquish cell phone to the office during school hours for three (3) consecutive school days and may pick the phone up at the end of each school day and serve 3 days of ISS.

- **Refusal to turn over a cell phone, unlock the cell phone, or removing the battery from a cell phone, will result in an automatic 5-day suspension from school**

Students may not use electronic devices in a way that threatens, intimidates, humiliates, or harasses school-related individuals, including students, employees, and invitees, or violates local, state, or federal laws. Faculty, staff and administration are authorized to confiscate any electronic device from students who violate this policy. When any electronic device is confiscated, staff shall take reasonable measures to label and secure the device and bring it to the appropriate administrator as soon as the employee's duties permit.

### **Change of Schedules**

Students should plan their schedules very carefully during advisement time as it is very difficult to change. State law limits the number of students that may be in a class. A request for a change of schedule will be granted only if it is necessary and then only if there is room in the class requested. **All schedule changes must be made through the Guidance office within the first week of school. Schedules will only be changed due to rigoring up (opting for an honors or more difficult class) or if the student has been misplaced.**

### **Class Officers (Requirements)**

In order to hold a class office, a student must meet the following requirements:

- A candidate must have an average of 80 or above in the preceding year with no failed class.
- No second year freshman student may be elected. No student who has spent more than 8 semesters in high school will be eligible for office.
- A student seeking office must have an approved conduct and attendance record. Freshman candidates will be approved only after checking the Middle School records for grades, conduct, and character.
- Class officers may be removed from their position because of poor conduct or a lack of leadership.

### **Clubs**

All clubs must have a faculty sponsor and be approved by the principal/assistant principal. All club meetings should be approved in advance through the office. When clubs meet for the first time, a list of members must be turned in to the office. A regular club meeting schedule will be given to students and teachers at the beginning of the school year.

### **Code of Conduct**

Since every SCHS student has the right to learn, each student will observe a code of personal conduct which in no way will interfere with the educational opportunities of his/her classmates. The administration and faculty of the school will make and enforce such rules as are necessary for the efficient operation of the school. Minor classroom disturbances such as being tardy to class, failure to bring materials, sleeping in class, excessive talking, or disruptive behavior will be handled through the Time Out program.

**Individuals who come onto school property are expected to behave accordingly.**

Will-

- \*Model appropriate behaviors
- \*Display good character
- \*Follow all school rules

Will not-

- \*Curse or use of obscenities
- \*Disrupt or threaten to disrupt school operations
- \*Act in an unsafe manner to threaten the health or safety of others
- \*verbal or written statements or gestures indicating intent to harass or harm an individual or property
- \*Physical attacks intended to harm an individual or substantially damage property

### **CONSEQUENCES**

The principal/designee has the authority to exclude from the school premises any person disrupting the education programs

## **Committees**

A number of committees composed of SCHS staff, parents, and students are actively involved in improving our school and in helping to set policy. These committees work on many issues affecting students, such as attendance, discipline, and curriculum. Students who participate have an important role in influencing life at SCHS. All students are encouraged to volunteer for or serve on a committee when asked and to become active in the committee's work.

## **Computers**

School computers are for educational/school use only. Students are required to check their school email daily. Access and utilization of web-based proxies and getting around the school firewall is prohibited. Access to protected resources is illegal and prohibited. Transmission or storage of material in violation of any U.S., state, or other laws and regulations is prohibited. This includes, but is not limited to: threatening or obscene material, or material protected by trademark or copyright. Use of school computers and electronics for commercial activities, product advertising, or political activities is prohibited. Personal computers, tablets, chromebooks, and all other electronic devices are subject to all school rules and subject to search and seizure at any time. Attempting to log in or using another person's account or access of another person's files is prohibited, even if only for the purpose of browsing. No inappropriate content should be accessed, viewed, or stored on any school devices, or on any personal devices while on school property. Misuse or damage of school computers or electronics is prohibited. Computers or other electronic devices being used to bully, harass, or threaten a student or teacher will be confiscated and possibly turned over to the School Resource Officer for investigation. Student use of computers and electronic devices is restricted only to activities approved by the supervising teacher. Any misuse of computers will be a Level 2 disciplinary offense. All students must have a parent and student signed Internet permission slip before they may have access to the Internet.

## **Concessions**

The concession stand in the commons area will be open periodically. No food or drink may be consumed in the classrooms without teacher approval.

### **Conduct/Discipline**

All students at SCHS are under the supervision of all teachers at all times. At all school activities, the faculty members in charge shall have full authority and the rules of good conduct and cooperation should be observed at all times. A student attending any school activity, school-based program, or off-campus learning is subject to regular school regulations. All athletic events are under the supervision of the school, and the TSSAA regulations hold the school responsible for the conduct of these events. Students are subject to regular school policies at all games. Poor sportsmanship and bad conduct may result in SCHS being suspended from athletic participation.

### **Conduct: General School Rules**

The use of chewing gum by the students will be left to each teacher's classroom rules.

Hats will not be worn in the school building at any time (except on special "hat days").

Students should secure teacher permission before taking photos or recording in the classroom.

Locks and lockers may be issued to each student. There will be locker checks periodically to ensure the proper use of school locks. Any lock not issued by the school but placed on a locker will be cut off.

The office will issue parking permits to licensed drivers only. The parking lot will be monitored mornings and afternoons. There will also be random checks at other times during the school day.

### **Credit Recovery**

- Upon passing the subject in Credit Recovery the final grade will be a 70 if recovering a class taken prior to the 2022-2023 school year. The final grade upon passing the subject in credit recovery from 2022-2023 forward will be a 60. Credit recovery will be noted on the student transcript.

### **Discipline Referrals to the Office**

Whenever a student's conduct warrants disciplinary action by the principal, an effort will be made to inform the parent/guardian of the offense and the disciplinary action taken. The following levels of discipline have been approved. The final disposition of students and the number of days will be left to the discretion of the principal of the school. Students placed in the Alternative School or serving out of school suspension will be prohibited from participation in or attending any extracurricular activity during their time in Alternative School or out of school suspension (i.e. ballgames, plays, school trips, etc.). Tennessee state law mandates that school administrators protect the safety and educational environment of all students. Therefore, the principal/assistant principal reserves the right and authority as outlined by the Tennessee Code Annotated to declare the rules outlined here null and void should a severely disruptive behavior problem occur that mandates immediate action.

#### Dress Code

Action will be taken to correct the problem if it is deemed necessary. Please keep in mind that every unique dress situation cannot be addressed. Quarter classes will be required to take a final exam only. If a final exam is missed, a doctor or dentist excuse is required in order to make-up the exam. Classes that have a required End of Course exam (English 9, English 10, Algebra I, Algebra I-B, Algebra II, Geometry, Biology, Biology I-B, and U.S. History) will use the End of Course exam as a final exam. The EOC exam is required by

Tennessee to count 15% of the final grade. Because of the way block classes are calculated, we choose to calculate semester grades in the following manner:

<b>Semester 1</b>	<b>Semester 2</b>
1 <sup>st</sup> nine week – 42.5%	3 <sup>rd</sup> nine week – 42.5%
2 <sup>nd</sup> nine week – 42.5%	4 <sup>th</sup> nine week – 42.5%

12 credits- Junior

18 credits – Senior

26 credits – Graduate

### **Grade Point Average/Numerical Average**

Students across Tennessee will now be on a Tennessee -mandated grading scale that gives students extra points for more rigorous courses and higher grade point averages. Students' grades will be averaged on both the alpha (4 point scale) and the numerical scale. The numerical grade point (GPA) will be used to determine class rankings, such as Valedictorian, Honor Court and all other honors. It is recommended that all students work hard to do the best they can, so that they can keep their average as high as possible. Students who get off to a poor start often have a difficult time improving their average.

College classes that are taken and required by the Tennessee State Board of Education and are taken during school hours will be entered on the transcript and included in the average. State law requires that students applying for lottery scholarships and other state scholarships funds be evaluated utilizing the State's Uniform grading policy. The grade point average is commonly used by colleges to determine eligibility for entry, and eligibility for lottery scholarships and financial assistance administered by the TN Student Assistance Corporation (TSAC). The State's uniform grading scale is listed below:

90-100	A	4.0
80-89	B	3.0
70-79	C	2.0
60-69	D	1.0
59-0	F	0.0

Weighted GPA approved in the State's uniform grading system for students graduating in 2020 and beyond:

Honors Classes	Dual Enrollment	Regular High School Class
A = 4.5	A = 5.0	A = 4.0
B = 3.5	B = 4.0	B = 3.0
C = 2.5	C = 3.0	C = 2.0
D = 1.5	D = 2.0	D = 1.0
F = 0.5	F = 1.0	F = 0.0

The calculation of the GPA is determined by dividing the sum of the quality points, including grade point weighting, by the total number of courses attempted. No grade over 100 may be given on the report card. Athletic PE will count only one time towards the grade point average.

Grades in dual enrollment courses, dual credit courses, or industry certification classes will have four (4) points added to each calculated nine week grading period and the 4 points added to the final exam. Students enrolled in these classes must take the final exam or challenge exam to receive additional percentage points. Statewide Dual Credit students are only eligible for percentage points if passing the dual credit class. Grades in Honors Courses will have three (3) points added to each grading period and three (3) points added to any final exam (excluding an EOC exam) administered.

Through the guidance services, each student can learn and develop skills necessary for success and to be a contributing member of society. Together with stakeholders, SCHS strives to prepare students for the future and meet their lifelong goals.

The SCHS counselor welcomes the opportunity to talk with students and their parents. Students can request time with the guidance staff for assistance in educational, college/career planning, personal problems, or any other matter important to the student. The guidance department is equipped to furnish the student with information he/she would like to have about different professions, careers, colleges, scholarships, and financial aid resources. Parents can consult with the counselor about the student's postsecondary goals, career planning, or about any difficulties a student may be having. Appointments are made by calling

the Guidance Office at 949-8221 or emailing the counselor or registrar. The counselor is available before and after class time, during break, or free time. Using teacher discretion, teachers may refer students during their class time but only in emergency situations.

### **Nondiscrimination Policy**

It is also the policy of this district that the curriculum materials utilized reflect the cultural and racial diversity present in the United States and the variety of careers, roles and life-styles open to women as well as men in our society. One of the objectives of the total curriculum and teaching strategies is to reduce stereotyping and to eliminate bias on the basis of sex, race, ethnicity, religion and disability. The curriculum should foster respect and appreciation for the cultural diversity found in our country and an awareness of the rights, duties, and responsibilities of each individual as a member of a pluralistic society. Inquiries regarding compliance with

the above may be directed to Mrs. Sarai Pierce, Director of Schools; Sequatchie County School: P.O. Box 488, Dunlap, TN 37327.

### **Notice of Concern**

Grade cards are available at the end of each nine week grading period. SCHS will send out a notice of concern at the halfway mark of each grading period to notify parents if a student is in danger of failing at the 4.5 week mark. This could be for grades or for attendance issues. Parents are also encouraged to contact your student' teachers either via e-mail or by calling the office and speaking to the teachers or by setting up appointments to meet with them.

### **Passes**

*To Leave Class:* Any student being temporarily excused from class by the teacher must carry a hall pass. Since adequate restroom breaks are provided between classes, only one person will be excused for this purpose from class at one time. Passes are to be held to a minimum; normally no pass at all should be issued during class period. Students must have permission from the office to go to the parking lot for any reason.

***To Leave Campus:* No student is to leave campus for any reason without first getting permission from the administration.**

### **Plagiarism/Cheating**

The most common type of plagiarism involves directly copying the passages from the internet without citing the source, but it can include the copying of even part of a sentence written by someone else without giving credit to the true author. "AI" could be an example of cheating or plagiarism. Students are expected to do their own work at all times, and to cite sources when using someone else's ideas or words. Students who are caught cheating or plagiarizing the work of others will be given a zero, no matter how much the assignment counts toward the final class average. Note: All material turned into a classroom teacher becomes school property and may be retained at the teacher's discretion.

### **Family Educational Rights and Privacy Act Notice for Directory Information**

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Sequatchie County Schools, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Sequatchie County Schools may disclose appropriately designated directory information without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow Sequatchie County Schools to include this type of information from your child's education records in certain school publications. Examples include: A playbill, showing your student's role in a drama production; the annual yearbook; Honor roll or other recognition lists; Graduation programs; Sports activity sheets, such as for wrestling, showing weight and height of team members. Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESIA) to provide military recruiters, upon request, with three directory information categories – names, addresses and telephone listings, -unless parents have advised the LEA that they do not want their student's information disclosed without prior written consent. If you do not want Sequatchie County Schools to disclose directory information from your child's education records without your written consent, you must notify the District in writing within five (5) days of the beginning of school. Sequatchie County Schools has designated the following information as directory information: Student's name, Address, Telephone Listing, Date and place of birth, Dates of attendance, and Photograph.

Second, the SRO will conduct a more thorough investigation. If deemed necessary, the student or students will be turned over to the local police department and then disciplined at school on the following school day.
10. Once students and guests enter the prom, they will not be permitted to leave, then return.
11. You are responsible for the actions of your guest. Your signed form is on file in the office.
12. No prom tickets will be sold at the door.
13. Rules are subject to change, and may be revised by the Prom Committee and the administration.
14. If you have been to alternative school or suspended during the school year, you will not be allowed to attend prom unless you have written approval from the Principal.

## **School Psychological Services**

Sequatchie County Schools have three district-wide school psychologists who work with students, parents, teachers, and staff to support students' ability to learn and teachers' ability to teach. The school psychologists' primary role in Sequatchie County consists of comprehensive evaluations. This may include: individualized cognitive assessments, academic achievement assessments, early childhood development assessments, autism assessments, language assessments, observations, interviews, adaptive behavior assessments, social emotional assessments, parent input, teacher input, as well as language and motor screeners.

The school psychologists receive referrals from teachers, parents, and/or students to complete these evaluations to help determine if a student meets the State of Tennessee criteria as a student with an educational disability and if so, whether or not that disability adversely impacts their educational performance. After evaluations are completed, a meeting is held with the school team to review the results and determine if a student is eligible for special education or not. The school psychologists are responsible for triennial reevaluations to ensure that students are receiving all the services they need to meet grade level curriculum and to help determine if the student continues to meet the State of Tennessee criteria as a student with a disability. School psychologists provide direct support and interventions to students, consult with teachers, families and other school-employed mental health professionals (i.e., school counselors, school social workers) to improve support strategies, work with school administrators to improve school-wide practices and policies, and collaborate with community providers to coordinate needed services.

## **Security of Building**

To ensure the safety of all students and staff, all students and visitors MUST enter the building only through the main entrance under the canopy. One exception is that between 7:40-7:55, students who drive to school may enter through the lobby of the SCHS Annex near the library. All outside classroom doors are to remain shut and locked. In addition, no bottles or cans of soft drinks, water, juices, etc. may be brought from outside the school into the building. A task force of SCHS staff and local police will do periodic checks of building security and may

impose additional safeguards. The police review may include a search of the premises and its contents. In the event of a breach in security, the school will go into some form of lockdown. An announcement of LOCKDOWN or LOCKDOWN CODE RED means that everyone stays put until an ALL CLEAR announcement is made. Lockdown instructions will be posted in each classroom.

### **Sign-in/Sign-out Policy**

*Sign-in:* Any student who arrives late to school must sign in the front office before going to class. WBL and DE students must sign in on the appropriate chart. If you are late, you will need to sign in on the tardy sheet as well as the WBL sheet and DE sheet. If a student arrives more than five (5) minutes into a class period without an excused tardy, he or she may have to remain in the time-out area until the end of that class. Students enrolled in the Vocational Rehabilitation program must sign in with personnel in the Vocational Rehabilitation office located in the SCHS Annex.

*Sign-out:* Under no circumstances shall a student be dismissed from school prior to the end of the school day or into any person's custody without direct prior approval from the office. Any student who plans to leave early must provide written direct permission from a parent/guardian including a phone number for the parent/guardian for verification to the office before 8:00 a.m. All notes or emails must be sent to all office paraprofessionals and are subject to verification by the office prior to approval. No text messages will be accepted. If a note or email is not turned in before 8:00 a.m., the parent/guardian must be physically present at the school office to personally sign out the student. The only exception will be in the case of an emergency or a last minute medical appointment. Parent/Guardian must call the office prior to sending an email. Any student who has approved permission may leave early at the designated time only after signing out in the office. Students will not be allowed to sign out at any time during Enrichment/Lunch unless they return with a note from a doctor indicating a medical appointment during that time. A student may be released early to a person with lawful authority to take custody of the student, e.g., a police officer with a warrant. In such a case, the student's parent/guardian will be notified at the earliest possible opportunity. If it is necessary for a parent to bring a book, lunch, coat, or other items, or to

deliver a message during school hours, he/she must come to the office. This service must be done through the secretary to prevent classroom interruption. If it is necessary for a parent to speak to his/her child, the student will be called to the office.
